About Ibrahim Hassan Ibrahim M

We are a professional couple seeking a reliable rental property in the Cork area. I work as a Senior ASIC Engineer at Qualcomm Technologies Ireland, where I've been employed for over a year, contributing to cutting-edge semiconductor technology development. My identity has been verified, ensuring complete authenticity and transparency. We are a household of two non-smokers, maintaining a clean and respectful lifestyle. We don't have any pets, which makes us suitable for any property type. Our stable employment with a globally renowned technology company demonstrates our financial reliability and commitment to long-term tenancy. We pride ourselves on being responsible, considerate tenants who respect property and neighbours. We're looking for a comfortable home where we can establish ourselves within the community while maintaining our professional careers in Cork's thriving tech sector.
