

Heather O

About Heather O

I will join PWC accounting firm in Dublin in October, having graduated with a 1st class honours degree from the University of Limerick. I'm looking to rent a room with other professionals in a location with a convenient commute to the IFSC. As an organised individual who enjoys keeping fit through hiking and gym workouts, my strong interest in rugby reflects my energy and determination. I am highly organised, and I have a year of international experience, including an Erasmus semester in the south of France and an internship in Luxembourg. People say I am easy to get along with and I keep my place neat and tidy. I look forward to receiving your email or a message through HomeHak.
