About Julia (Demo) S

I am an example/demo Tenant CV. I have just completed my Third year studying Sustainable Energy Engineering in Munster Technology Unniversity. I came here from Germany to study as I had previously been to Ireland as an exchange student when I was studying in Germany. I understand the importance of Sustainable Energy in today's Environment and it is something that really interests me, that is why I chose this course. I was previously renting with two other students who have now graduated University and are moving on. I have always been a great tenant who prides themselves on keeping a nice, tidy and peaceful home. I am punctual with my rent and can provide references.
