About Cristian S

Hi, I am Cristian and am looking for a shared rental housing in Limerick. In July I will be joining Analog Devices as an Electronics Designer, which will be my second work experience after graduating with an Engineering degree in Italy. I have lived in shared accommodation since I was a university student and even now I am in a shared apartment. Keeping the house clean and tidy is important to me, as well as building trusting relationships with the landlord and other tenants. I am a quiet and tidy person, do not smoke and do not have pets. I like reading and informing myself in particular about technology, but I also like going outside for running and outdoor activities.

To whom it may concern, I can confirm I acted in the role of landlord to Cristian from August 2022 to May 2024. Cristian was a very good tenant, a kind, tidy, clean person, and left the house in the same condition as it was given to him. I had no issues with Cristian, because he respected the agreements and kept the house in excellent condition, getting along well with the other tenants he shared the apartment with. I am happy to recommend Cristian and I am sure he will be a very responsible tenant for any landlord. I am Italian and not fluent in English, but I am available if you wish to verify this reference or have any questions in this regard. Best regards, Alfio Mattiazzi
