### About Yaroslav S

Hello! I'm a professional seafarer who has spent 14 years navigating the world's oceans. My career has taught me discipline, responsibility, adaptability, and the importance of staying calm under pressure. When I'm not at sea, my world revolves around my family. I am a proud husband, a devoted father to my son, and a happy dog owner. They are my greatest source of motivation and the reason I always look forward to coming home. Traveling to different countries and experiencing diverse cultures has given me a broad perspective on life and a deep appreciation for both adventure and the comfort of home. I value honesty, loyalty, hard work, and meaningful relationships.

Our dog is a nine-year-old French Bulldog named Fifty. She is calm, friendly, and exceptionally well-behaved. Her favourite activities are sleeping and travelling in the car. We traveled all over Europe with her, rented various apartments on Airbnb and rented long-term housing in Moldova and Poland, and always had the best reviews. She has always lived indoors, is fully house-trained, and has never caused damage to a property. She is also vaccinated, sterilized, treated for parasites, regularly visits the doctor for checkups, has excellent health and a full package of documents. I bet you will like her
