About Aurélien B

Greetings! I am an engineering student from France embarking on an exciting internship at ADI in Limerick. As I prepare to immerse myself in this new chapter of my life, finding a comfortable and welcoming apartment in the city center is a matter of importance to me. Having lived independently in my own apartment in France for the past two years, I have cultivated a deep sense of responsibility and respect for maintaining a harmonious living environment. I am confident that my commitment to responsibility and respect, will make me an exemplary tenant. Thank you for considering my application, and I eagerly anticipate the opportunity to embark on this journey.
