

Sandra H**About Sandra H**

I currently work as an opthamologist at the South Infirmary Hospital. I am looking for a home with my husband and our two well-behaved, house-trained, and vaccinated dogs that we've had since they were 7 weeks old. We are responsible pet owners, ensuring they receive regular health check-ups and taking them with us on holidays. I have a history of stable employment and positive references, which demonstrates my reliability and commitment. I am dedicated to maintaining a clean and well-kept home, and I am excited to find a pet-friendly rental that suits our needs.
