

dean f ID verified by **stripe** **About dean f**

I'm looking for a shared house with other students, ideally from the same course. I think it would be great to live with people who understand the demands of student life and also enjoy socializing. I'm a responsible and considerate housemate, enjoy cooking and appreciate a balance between social time and quiet study time. I'm hoping to find a place where we can create a friendly and respectful atmosphere. I think I would be a great addition to a lively house share.
