### About Aoife F

I am a 24 year old diagnostic radiographer relocating to Galway. I have recently completed my masters in UCC and am excited to start a new chapter in Galway. I am a tidy, respectful tenant and have excellent landlord references. I am in search of a comfortable home nearby to Galway University Hospital, ideally near public transport. I will be working a structured shift pattern in the hospital and would like a home that I can relax and recharge in. I would love the opportunity to make your house my home, ideally long term.
