About Aswathi N

My name is Aswathi, and I am currently working at IBM. I have been living in Ireland for the past 1.5 years and am now looking for a cosy 2-bedroom home near the city to share with my best friend, who is currently working at Qualcomm. We are both responsible, clean, and tidy individuals who value a peaceful and well-maintained living environment. We are non-smokers and do not have any pets. I can also provide previous landlord references upon request. We are looking for a comfortable home and would be happy to provide any additional information if needed.
