### About Niranjan D

I am a Staff AI Robotics Engineer with Analog Devices, relocating to Limerick and will be living with my spouse. We are looking for a clean, comfortable 1–2 bedroom apartment in a quiet and well-maintained neighbourhood. We are both very organised, respectful of the property, and lead a calm and professional lifestyle. We have a reliable rental history and always treat any home as if it were our own. Outside of work, we enjoy travelling, fitness, nature walks and cooking, and we appreciate a peaceful living environment. We are hoping to find a welcoming place where we can settle in comfortably for the long term.
