### About Jessica

Hi I will start working in Analog Devices Raheen at the end of June. I'm looking for a cozy place to call my own while I'm working my internship. I love baking and cooking so a good kitchen is a must! But really I'm looking for somewhere quiet to unwind after a long day, do some reading or knitting. I'm a neat freak so I always keep my place clean, I'm a non-smoker and am fairly active so there shouldn't be much noise from me. Looking forward to finding my perfect place!
