### About Pradeesh P

I'm a 27-year-old male currently working at Analog Devices as a Process Sustaining Engineer. I'm a calm, easy-going, and respectful person who values a peaceful living environment. I'm not a party person and prefer a tidy, organized space. I take good care of my surroundings and always make sure that living arrangements are comfortable and considerate for both myself and those around me.

To whom it may concern I can confirm I lived with Pradeesh from 01/09/23 to 01/09/2024. Pradeesh was a good roommate. He is quiet and keeps his area tidy. He follows the rules of the house well and helps out with completing any house tasks/chores. I am happy to recommend Pradeesh and I believe they would make a very responsible tenant for any landlord. If you wish to verify this reference or have any questions in this regard, please feel free to contact me. Regards, Jisna

I have known Pradeesh since the start of September. I am happy to recommend Pradeesh and I believe he/she would make a very responsible tenant for any landlord. He has all the qualities needed to be a great colleague in work and this will definitely apply to his qualities outside of the workplace. He is a very hardworking person as from day one he is constantly double checking his work and always asking questions if he doesn't know the right thing to do. Overall he is a very friendly and trustworthy character as although he only started recently I can rely on him as a friend and as a coworker. He is very diligent in the work he does and takes pride in doing a good job in all aspects of life. If you wish to verify this reference or have any questions in this regard, please feel free to contact me. Regards, Karl Buckley
