About SARA LOUISE S

My husband and I have wanted to make some changes in our lives and go back to school. I was accepted to the International Sustainable Business program at UCC. My husband is interested in being more involved in business and was accepted to the Business Analytics program at UCC. Both programs start Sep 2026 and last 1 year. We have two dogs, 7 and 4 years old, that love people and are well behaved. We have one indoor cat, who is also very friendly and well-trained with the litter box. We would like to find a house, ideally, we could rent for 1 year, with our pets, while we're in school. Our credit scores are available upon request.
