About Srihari

I will start working as a Senior Engineer with Analog Devices, Raheen in February. I've been living and working in Austria as an Electronics Engineer for the past 3.5 years. I am originally from India. My work has taken me around the world, giving me the chance to interact with many cultures. I'm single and looking for a 1 bedroom home, though a shared apartment with a private bedroom or ensuite would also work. I'm a quiet, organized person who values a cordial and respectful relationship with landlords and housemates. If you're looking for a positive, kind, clean, and responsible tenant, I believe I would be a great fit.

Ideal move in date: 2026-02-18
