About Esther V

Hello, I'm Esther, a French student relocating to Limerick in July 2024 to begin with Analog Devices. I am actively seeking accommodation, ideally a studio, but I am also open to a shared space with roommates. I currently live in a studio in France, which I have maintained for the past three years. This experience has equipped me with the skills necessary to care for all aspects of an apartment. I look forward to finding a new home in Limerick.
