### About Iuliana L

I am a digital verification engineer relocating to Cork for a full-time role with Qualcomm. I'm looking to settle long-term and build a stable routine. I am a tidy, quiet and responsible person who values a clean and comfortable home. I don't smoke and have no pets. Most of my time is spent working, going to the gym, volunteering, offering math tutoring and relaxing in the nature. I am looking for a well-maintained apartment where I can stay long-term. I am reliable with payments and would take great care of the property.
