

Aravind N

About Aravind N

Hello :) I'm Aravind, an Oxford MBA with 9 years of semiconductor industry experience at Analog Devices (ADI) across the US and India. I'll be moving from Bangalore to Dublin (start date: Sep 1) to rejoin ADI as Sales Ops & Planning Lead/Manager. I'm single, a non-smoker with no pets or dependents, and easy to get along with. Over the past 13 years, I've rented across the US, UK, and India, always as a responsible and considerate tenant — paying rent on time, keeping properties clean and well-maintained, and building great relationships with landlords and neighbours. I'm looking for a studio or 1 bedroom apartment within a 45 min commute (maximum) by public transport to ADI Dublin.

Ideal move in date: 2025-08-25

Affordable rent per month (ex utilities): €0 - €1,800

Ideal length of lease: From 3 month to 11 month

Nationality: Indian

Languages spoken: English, Hindi(a), Tamil, Malayalam

Gender: Male

Educator

James H

I am happy to recommend Aravind N and I believe they would make a very responsible tenant for any landlord. I worked with Aravind being part of the Career Development Centre in his time at Oxford. He is of excellent character and a very respectful individual. I have no question he would make an excellent tenant. If you wish to verify this reference or have any questions in this regard, please feel free to contact me. James H Oxford

Other relevant personal information

I am a recent Oxford MBA graduate and techno-business professional with 9 years of global semiconductor industry experience at Analog Devices across strategy, business management, analytics, sales operations, and pricing. I have significant international experience across all levels in highly cross-functional, cross-cultural setups across the US, the UK, and India. I am also an accomplished professional musician for 2+ decades with rich experiences at avenues such as IndianRaga (arts education start-up aimed at popularizing Indian classical music), Airtel Super Singer (a musical reality TV show), the Bollywood film industry, and All India Radio (India's national public radio broadcaster).
